THIS AGREEMENT IS MADE AND ENTERED INTO on this day of _____, 2015 by and between the Board of Education of the Passaic County Manchester Regional High School District (hereinafter referred to as the "Board") and The Manchester Education Association (hereinafter referred to as the "Association") both of which may hereinafter be referred to as parties. All of the terms and provisions of the within agreement to be effective and apply to the parties as of July 1, 2015.

STATEMENT OF TEACHER-ADMINISTRATOR
BOARD OF EDUCATION RELATIONSHIPS

B. Principles

1. Objectives

- a. Attainment of the objectives of the educational program conducted in the school requires mutual understanding and cooperation among the Board, the Superintendent, the professional personnel, the other personnel and citizens of the community. To this end, free and open exchange of views is desirable, proper and necessary.
- b. The Board and the Association recognize the importance of orderly, just and expeditious resolution of disputes which may arise with respect to the interpretation or implementation of this agreement and, therefore, do agree upon a grievance procedure for the effective processing and resolution of such disputes as may arise from and within the terms and covenants of the within agreement.

2. Implementation

- a. The provisions of this agreement do constitute a binding obligation of the parties for the duration

hereof unless altered, changed or amended by mutual consent, which must be in writing, signed by both parties. No oral or verbal changes of any kind by either the parties or anyone claiming to act for and on their behalf shall be effective to change, alter or amend any of the terms, covenants and agreements herein contained. The provisions of this agreement shall continue in full force and effect until a successor agreement is made and entered into.

- b. In the event there is any conflict between any of the terms, covenants and provisions of this agreement and any previously adopted policy rule or regulation of either the Board or the Association, this agreement shall prevail. Nothing in this agreement which changes any preexisting policy, rule or regulation of the parties will operate retroactively unless expressly so stated.
- c. The Board hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of New Jersey and of the United States. The provisions of this Agreement shall be construed in the light of the above prerogatives vested in the Board by the foregoing legal authorities.

- D. The working day shall also include a lunch period for each teacher, the length of which shall not vary from the length of the regularly scheduled student lunch period.
- E. All of the professional personnel included in this agreement shall not be required to remain for longer than the completion of the normal working day except in unusual or emergent circumstances beyond the control of the Board.

A. Work Year

1. The work year of teachers shall commence on September 1 and end on June 30 of each year. All teachers shall be subject to call for duty at anytime during the work year. It being understood; however, that except for special or emergent situations, teachers (other than new personnel who may be required to attend additional orientation sessions and guidance counselors as set forth below) shall not be called to duty more than two (2) days prior to the opening of school (the two (2) days so designated being placed as nearly as possible before the actual first day of school) and shall not be kept more than two (2) days after the last day of student attendance but in no event shall there be more scheduled work in which no teaching takes place than shall have been provided in the school calendar adopted for any particular school year by the Board. It being specifically understood; however, that the Board may in an emergent situation or due to circumstances beyond its control extend the school year or the school calendar for any given year for such length of time as shall be necessary under the circumstances. A teacher shall not be required to provide more than one hundred eighty-five (185) working days, three (3) days of which shall be designated as professional development days and shall not be student contact days. Inservice days shall be no less than six (6) hours except when the inservice day is scheduled on a minimum day. Guidance counselors shall be required to work an additional 10 days each year (5 days prior to the opening of school and 5 days after the last day of teacher attendance) and shall receive prorated salary at the current rate for said work. The administration shall maintain the number of professional development hours for each teacher and give an annual account to the teacher. The administration shall pre-approve all professional development activities.

B. After School Meetings

1. Teachers may not, after the first year of experience, be required to remain after school more than 40 minutes beyond the contracted day of 7 hours and 25 minutes to attend the following meetings:

- a. Staff Meetings

Such meetings may be called at the discretion of the Superintendent, the Principal or any other member of the administrative staff. There may be no more than two (2) meetings per month which extend beyond the regular teacher's day. If it is anticipated that such a meeting will run beyond the regular teachers' day, it shall be held on a day specified by the Principal at the beginning of the school year (except Monday and Friday). At least one week's notice shall be given to the members of the staff setting the date, time and place of said meeting. The restriction set forth in B. 1. above does not apply to the two (2) meetings hereinabove referred to. There shall be no limitation on the number of such meetings that may be called during the regular teachers' day.

- b. The teaching staff of a department or any special committee of teachers shall meet at the call of the Superintendent or Administration with reasonable notice and for a length of time not to exceed the limitations as set forth in Article IV B. 1. above. There may be no more than two (2) such meetings per month.

2. Attendance at meetings such as PTSA activities shall be at the option of the individual teacher, but the Board and the Association encourage active participation in such meetings as part of the teacher's professional responsibility.
3. Faculty attendance shall be required at "Back to School Night" and "8th Grade Parent Night." The district will arrange the school calendar to allow for a delayed opening on the day after these events.
4. Attendance shall be required at graduation. The faculty shall be dismissed no later than 12:30 p.m. on the day of graduation.

- C. Co-curricular activity sponsors are vital to the efficient and complete operation of the total educational effort of the school. The responsibilities incumbent in these positions are, insofar as possible, carried out during time which is in addition to the regular school day. Therefore, all such positions should be monetarily compensated as provided for in Schedule B, attached to this agreement, except such activities and functions which are now or have heretofore been performed without compensation.
- D. The Association shall not restrict nor interfere with the voluntary contribution of services or work by any member of the professional staff with or without compensation.
- E. Assignment of Mentor Teachers
 - 1. All provisional teachers, whether alternate route candidates or advanced standing candidates, must undergo two stages of on-the-job supervision and evaluation by members of Professional Support Teams (PST) once the provisional teachers assume full responsibility for their classrooms, pursuant to N.J.S.A. 6:11-5.1 et seq. Each PST must be comprised of a school principal, a college faculty member (or comparable representative), curriculum supervisor (or comparable representative) and an experienced mentor teacher.
 - 2. Mentor teachers shall be selected to perform the responsibilities required by the Department of Education as follows:
 - a. The Board shall invite and encourage teachers to apply for mentor positions. Teachers shall first be selected from among those who have applied for mentor positions by a district committee comprised of the relevant constituents (e.g. superintendent, principals, supervisors, teachers, etc.).
 - b. If an insufficient number of teachers apply for mentor positions, then the Board shall appoint teachers to serve as mentor teachers based on the criteria set forth in state regulations and the Department of Education "Implementation Guidelines".
 - c. Teachers selected to serve as mentor teachers shall be compensated at the rate established annually by the Department of Education, which fees shall be paid directly to the mentors by the provisional teachers.

3. Mentor teachers shall not be required to perform professional projects during any year which they serve as mentors. In addition, they shall be given a professional period to perform their mentoring duties.

Such vacancies shall be adequately publicized, including a notice to be posted in the school, as far in advance of the date of filling such vacancies as possible, ordinarily at least twenty (20) days in advance and in no event less than ten (10) days in advance. In addition, the Superintendent may concurrently publicize the position outside the school district.
 - 2. Said notice of vacancy shall clearly set forth the qualifications for the position. Standards of qualifications must be consistent with the position.
 - 3. Teachers who desire to apply for such vacancies shall file their application in writing with the Superintendent within the time limit specified in the notice, and the Superintendent shall promptly acknowledge, in writing, the receipt of all such applications.
- C. Promotional positions are defined as follows: Positions paying a salary differential and/or positions on the administrator level, including but not limited to positions such as Principal, Assistant Principal, and any assignment to which an honorarium is attached.
- D. All appointments to the aforesaid vacancies and openings shall be made without regard to the teacher's race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation, sex or social economic status, or disability.
- E. When a vacancy arises in June, July, or August when school is not in session and it is deemed by the Superintendent to be necessary to start the process prior to the opening of school, all teachers shall be notified of the vacancy and the qualifications by mail at the address given by each as his or her summer residence. Such notice shall be sent as far in advance as is practicable, ordinarily at least fifteen (15) days before the final date for the filing of applications and in no event less than seven (7) days before such date.

The pregnant teacher will be entitled to her annual and accumulated sick leave, with pay, during the period of absence due to her actual disability.
- (b) Any pregnant teacher who does not elect to take a child-rearing leave may continue to perform her duties as long as physically able to do so and will be entitled to return to her duties when she is physically able.

- (g) The Board has the right to remove any pregnant teacher from her daily duties on any one of the following criteria:
 - i) Her teaching performance substantially declines from the period preceding pregnancy.

 - a) the pregnant teacher fails to produce a physician's certificate that she is medically able to continue teaching; or
 - b) the Board's physician concludes she is unable to continue teaching.
 - iii) If there is a difference of opinion between the teacher's attending physician and the physician designated by the Board, as to the ability of the teacher to continue her employment, the Passaic County Medical Service shall designate an impartial third physician to make an examination and his/her determination shall be conclusive and binding upon the parties.
- h. Emergency Leave - in all situations not covered by this agreement, the employee shall submit to the Superintendent of Schools a request in writing. Such request shall state the reason requiring the emergency leave. The Superintendent shall refer such request to the Board which in its sole and absolute discretion, shall determine whether such emergency leave:

- (1) shall be granted, and
- (2) whether said employee shall be paid for the period covered by such leave or there shall be deduction from the employee's pay.

i. Sabbatical Leave

- (1) Certificated school personnel who have served continuously and satisfactorily in the Manchester Regional High School for a period of at least seven (7) years may, on the recommendation of the Superintendent of Schools, be granted a sabbatical leave of absence not exceeding one (1) year.
- (2) All requests for sabbatical leave shall be submitted to the Superintendent, in writing, in such form as may be mutually agreed upon by the Association and the Superintendent no later than November 15 of the school year prior to the school year for which said leave is desired and action must be taken on all requests no later than February 1 of the school year prior to the school year for which said leave is requested.
 - (a) The form for a requested sabbatical leave shall include a detailed description of the proposed program, a statement of the relevance of the program to the teacher's current duties and its perspective value to the district.
 - (b) All requests will be evaluated by the Superintendent, who will deny or recommend approval based on his/her sole and absolute discretion with respect to whether the request meets the criteria set forth in (a) above and will be of value and beneficial to the district.
 - (c) The evaluation and decision made by the Superintendent shall be final and conclusive subject only to the approval or disapproval by the Board.
- (3) A teacher on sabbatical leave shall receive a salary equal to one half the annual salary to

which he/she would have been entitled were he/she teaching in the school system that year. Salary payments will be made on the same basis as for regularly employed teachers.

- (4) While on sabbatical leave, a teacher shall make the same payments into the Teacher Pension and Annuity Fund as would be made if teaching that year on full salary. Teachers also shall make the regular payment based on full salary for the year to Contributory Life Insurance and are fully covered during the year.
- (5) During a sabbatical leave a teacher accumulates sick leave and is eligible to use it at the contracted salary the same as if regularly employed. All other advantages of regular teaching also are available including Workmen's Compensation coverage.
- (6) No more than one teacher per year shall be granted a sabbatical leave. Notification of the action taken by the Board on requests for sabbatical leaves will be given in writing by February 1 of the school year immediately preceding the school year for which the request is made.
- (7) Before beginning a sabbatical leave, a teacher shall enter into a contract to return to active service in the Manchester Regional High School District for a period of at least three (3) years after the expiration of such leave. A teacher who does not comply with this agreement shall repay to the Board a sum bearing the same ratio to the amount of salary received while on leave of absence, that the unfulfilled portion of the three subsequent years' service bears to the full three (3) years; provided, however, that the teacher shall be released from such payment if his/her failure to serve the three (3) years as stipulated be due to his/her illness, disability, or death, or if he/she be discharged from his/her position.

- (8) Prior to the beginning of the school year following the sabbatical leave, each teacher will be required to submit a brief written report on the activities in which he/she engaged during the sabbatical leave. The report should suggest ways in which the study will be of benefit to him/her in his/her teaching assignment at Manchester Regional High School.
- (9) A teacher returning from a sabbatical leave shall be placed on the step of the salary guide he/she would have attained had he/she taught the entire previous year in the school system.
- (10) In addition to the contract to be entered into by the teacher to whom a sabbatical leave is granted, pursuant to (Article V (7)), said teacher shall enter into a Bond and Warrant for the Confession of Judgment in favor of the Board against him or her in such sum as shall represent the dollar amount which would become due to the Board in the event said teacher failed to perform the contract made and entered into by said teacher pursuant to (Article V (7)).
- (11) In the school year following any year in which the percentage of the total negotiated increase in salaries and benefits exceeds the percentage of increase in the budget permitted by the budget cap, no sabbatical leave will be approved.
- j. Teachers may be allowed such professional days for visitation to other school systems as recommended by the Superintendent with the approval of the Board.
- k. Sick Leave Benefit
 - (1) Upon retirement and simultaneous commencement of pension payments by TPAF, all teachers with 12 years of continuous service in the Manchester District will be compensated at the rate of \$35.00 per day for accumulated sick leave days not exceeding 100 days.

In order to be eligible for such payment, (i.e. accumulated sick leave) a teacher must notify the Board of his or her intention to retire not later than January 15 of the school year during

which said retirement is to take place. If the teacher fails to so notify the Board (i.e. by January 15 of the school year during which said retirement is to take place) the Board shall have and is hereby given the sole and absolute option of either making such payment or withholding the same until after the adoption of the budget for the next school year and the availability of funds thereunder.

- (2) The estate of any deceased teacher who had twelve (12) years of continuous service in the Manchester District at the time of death shall be entitled to be compensated at the rate of \$35.00 per day for the decedent's accumulated sick leave days not exceeding 100 days.

The Board shall have and is hereby given the absolute option of either making such payment or withholding the same until after the adoption of the budget for the next school year and the availability of funds thereunder.

1. In order to achieve credit on the salary guide for the year, an individual must complete five (5) months of work.

m. Sick Leave Bank

- (1) A voluntary sick leave bank (hereinafter referred to as the "Bank") shall be created for the use of staff covered by this agreement who have exhausted his/her sick, personal and vacation days and have suffered a personal illness or injury.
- (2) Bank days shall only be available for use in order to cover pregnancy and/or delivery related disabilities in "extraordinary" situations, and only to the extent set forth in this paragraph. The teacher's contract presumes that a pregnant woman is medically unable to work four (4) weeks before delivery and four (4) weeks after. "Extraordinary" pregnancy and/or delivery related disability shall mean pregnancy related and/or delivery related disability from work which takes place outside of this period of presumed medical disability.

- (3) Applications will be considered for a continuous absence due to a personal illness or injury. Applications resulting from elective or cosmetic procedures will not be considered.
- (4) In cases which involve work-related injuries and where the individual is being compensated through Workers' Compensation, no application will be considered until such individual is released by the Workers' Compensation physician and no further income is being received through Workers' Compensation Insurance.
- (5) Any person covered by the Association's collective negotiations agreement may join the Bank by signing an agreement to contribute a minimum of one (1) sick day per contractual period. Membership shall enable a person to apply for sick days from the Bank. If a person decides to no longer participate in the Bank, he/she shall not have an obligation to contribute any sick days in the subsequent contractual period; however, the person shall not be entitled to reimbursement of the sick days he/she had previously contributed to the Bank. The Board shall not contribute any days to the Bank.
 - (a) Newly hired personnel shall donate at least one (1) sick day to the Bank during their initial year of employment with the Board and subsequent contracts thereafter in order to obtain membership in the Bank.
- (6) The Bank shall be administered by three (3) trustees, two (2) of whom shall be tenured Association members, the third trustee shall be the superintendent of schools or his/her designee.
- (7) Applications for days from the Bank shall be submitted to the trustees for their review. The following factors shall be considered by the trustees when reviewing the application:
 - (a) attendance history;
 - (b) previous requests and awards from the Bank;

- (c) seriousness of illness/injury;
- (d) pre-existing conditions and effect on absenteeism;
- (e) estimated length of illness;
- (f) reason why the request should be granted; and
- (g) total number of days in the Bank for all members.

After considering the factors, the committee shall forward a recommendation to either approve or deny the application, or to grant less than the total number of days requested by the individual to the Board for its approval. The decision by the Board shall be final and shall not be the subject of any grievance pursuant to the terms of this agreement.

- (8) Applications for days from the sick leave bank may be made at any time. The request shall be in writing and state:

- (a) the nature of the illness;
- (b) estimated length of absence; and
- (c) the reason why the person is of the opinion that the request should be granted.

The nature of the illness and the length of absence shall be documented on the letterhead of the employee's physician and signed by the physician. Additional documentation may be required.
